Updated March 16, 2009

Purpose: The Trumpet Call is a regular update of the global movement of God's Spirit. Our focus is often testimonies flowing through World Trumpet Mission, but not exclusively.

We hope to provide regular media resources to help fan the flame of God's transforming power in personal lives as well as in the corporate environment of families, churches, communities, cities, and nations.

UNITED KINGDOM

Since WTM meetings last fall, many people in the UK have joined together to establish prayer altars in their homes, churches, and communities with the desire to establish the Kingdom of God in their areas. Prayer altars have begun to be established in 12 locations in the UK: Hounslow, Norwich, Hereford, Bromley, Hastings, Liskeard, Plymouth, Melksham, Cambridge, Canterbury, Stockport, and Bristol.

The UK team expressed, "It is wonderful that even though we are in different locations we can unite together in Spirit and pray with one heart for the work of God in this nation."

Prayer Requests for the UK

As we seek to press into the Lord and move forward in the purposes of God, please join in prayer with those in the UK:

- Pray that practical preparations needed for the missionaries coming to the UK in March would be put in place.
- Pray for the door to be opened for the missionaries to come; that as visa applications are made they will be granted.
- Please pray in the finances needed for airfares and travel for missionaries, and for the funds needed for the work to go forward in the UK.
- Please pray for the UK leaders as they seek to serve and encourage the establishing of the prayer altars around the nation, especially for communications, administration, unity, and faith.

UNITED STATES

Highlights from Baltimore, MD:

Through a dream given to the Police Commander of the Eastern District in Baltimore, several churches came together in January for a "Jericho March" of the city. On the last day of the march, the churches came together for a service to share testimonies of what God had done during this time. A few of those testimonies appear below:

- One group was walking along and met a demonic force. The leader asked the group to pray until they got a breakthrough, which they did. They then walked through the area and prayed. Drug dealers approached them to see what they were doing. Area thugs were scared off quickly, but a few of them broke down and asked for prayer. This

group shared testimony after testimony of people who said they needed God and the lost souls that they prayed for.

- One young lady was in the community to visit with her mother. The mother convinced the daughter to take her to the store to buy alcohol. The mother stayed in the car while the daughter went into the store. A group was praying on the corner. The mother felt the power of God through the open car window and joined the group in worshipping God. She asked which church they were from, then showed up at the church the next day. She testified that she had been clean a year and knew she shouldn't be drinking. She had come to ask, "Can I join your church that I might stay saved?"
- One lady became part of the group that marched in the neighborhood where her unsaved sister lived. The groups had been instructed to play a CD with shofars blaring, then shout as loudly as they could when they entered their "gate." When the group did this, the lady's sister came out with her son to see what was going on. The group prayed for the sister and her son. The sister came to tears and was definitely broken after prayer.
- A young man in another group had been delivered from drugs 30 years ago. His group who went into the area where he had been doing drugs; he ended up witnessing to people he had done drugs with. It was very powerful.

Prayer Requests for the US

- Please pray that the stewarding/leadership teams that are forming in several cities in the US would be strong in unity and faith. That they would walk in the presence of the Lord and clear direction from the Holy Spirit.
- Please pray in the funds needed to cover travel and other expenses for the four missionaries coming to the US in March. The two teams will visit several cities during their 3 months here; please pray that the Lord will lead and give them strength during their time in the US.
- Pray that the Lord will continue to open doors in cities across the US.

EUROPE

Revival Forerunners in Germany and Austria

We are planning to send missionaries to Germany and Austria in March. The goal of these revival forerunners is to continue to spread the message and hope of transforming revival in these nations, build and strengthen relationships, and draw the presence of the Lord to see his Kingdom established.

Prayer Requests for Europe

- Please pray for the revival forerunners to have open doors into these areas, and that the Lord would provide all the finances needed to cover travel and other expenses.
- Pray that the Lord would lead the revival forerunners into every area where He is at work and that they will be able to minister in the full power of the Holy Spirit.
