

Establishing Altars of Prayer - July 2, 2009

Last Updated Saturday, 04 July 2009

We have been very encouraged and blessed over the past few months by how inspired people have been as we've shared in different European and U.S. cities about establishing altars of prayer, taking the level of prayer deeper, drawing the Lord's presence, and the impact this has had on homes, families, churches and communities.

We have opened up a new discussion on our facebook page - please feel free to share any struggles/victories etc...
