

Report and Prayer Request for Pastor Mark

Last Updated Tuesday, 09 February 2010

This past week (August 3-8), Pastor Mark spoke at a Catholic annual meeting in the UK called "Walsingham 6-Day Pilgrimage Conference." There were an estimated 3,000 people in attendance. He was the only non-Catholic speaker at the meeting. The meetings went extremely well and the Lord was faithful. See below for more details about Pastor Mark's recent visit to UK.

Pastor Mark was originally scheduled to have two workshops early in the week, then be the main speaker at a morning session on Saturday before the conference was over. Monday was the first workshop and over 300 people attended. He was shown favor from the Lord by being given one of the largest tent, which was packed out; some people had to stand outside the tent to listen. People were weeping, and there was much humbling and repenting. There was such a strong response that they asked Pastor Mark to speak on another day. His third workshop will be on Friday. Our God is so faithful! There were many, many people from over 10 countries, such as France, Poland, Czech Republic, Russia, Austria, etc. There was even a representative from the Vatican. WTM's relationship with the Catholics in UK seems to be getting deeper and stronger. The reception to the message of surrendering our lives to God and living a life set aside for his purposes is very strong. Please continue to be in prayer for Pastor Mark and for this opportunity with the Catholics. Praise God for his work. PS: Before the end of the meetings, Pastor Mark was given a total of six teaching times. This is the Lord's favor, and we are humbled and grateful for his grace. Amen.
